

LOCAL Specialty Care!

Lakeland & Pronto Pharmacy is pleased to introduce Specialty Care Services, a better way to care for your specialty patients! We are now able to provide the high touch care you expect for your specialty medications in a local, retail setting!

We can help with any specialty products for:

Atopic Dermatitis | Behavioral Health | Crohn's Disease | Hepatitis C Virus | HIV | Hypercholesterolemia
Multiple Sclerosis | Oncology | Ophthalmology | Osteoporosis | Psoriasis | Rheumatoid Arthritis | Ulcerative Colitis | Uveitis

FAX Prescription or Enrollment Form to 888-974-1277

or have patient drop off prescription at one of our 6 locations:

Branson • Branson West • Crane • Joplin • Webb City • Willow Springs

Phone 417-717-0062

We Coordinate

- Benefits investigation
- Prior authorizations
- Co-pay assistance cards
- Foundation application assistance
- Program enrollment in manufacturer support programs
- Communication with your office and patient on prescription status

Patient Gets... More Than a Mailbox™

- Access to pharmacist for urgent needs, questions, or medication management
- Personal one-on-one injection training from a pharmacist
- Choice of pick-up at the local pharmacy, delivery to your patient's home or to your office
- One pharmacy for all of your patient's medications and pharmacy needs
